

Sprint #1 Report - Wag More v2 4/28/17

Vincent Della Morte
Katerina Chinnappan
Gustavo Gomez
Danny Moon

Actions to stop doing: Everything is going good so far, so we just need to continue what we are doing.

Actions to start doing: Comment the code a little bit more, right now it is readable, but we are going to end up writing more features.

Actions to keep doing: Keep our bi-weekly meetings, and work on the same version everyone has so we don't have a version control problem.

Work completed:

- Task 1: Clean up and comment code COMPLETED
- Task 2: Create the inbox COMPLETED
- Task 3: Fix the layout to work on both mobile and desktop COMPLETED
- Task 4: Click on logo to return to homepage on each page, view app on all browsers
COMPLETED

Work completion rate:

All tasks are completed. Total hours spent: roughly 25 (more than our estimated 8.5).

Average story complete per day: Depending on the one we used, CSS took longer than expected(Didn't realize we need a special one for every different phone)
